Tech Met, Inc to be spotlighted in the Manufacturing Marvel® production on The Fox Business Network®

FOR IMMEDIATE RELEASE

Glassport, PA – January 15, 2019, Tech Met, Inc, a leading service provider for the Aerospace, defense and medical industries will be spotlighted in a nationally televised production called “Manufacturing Marvels” produced by (Marvel Production Group, LLC) between 10:30-10:44pm EST on Monday January, 21, 2019 on The Fox Business Network. The two-minute production showcases both Tech Met facilities; the main Glassport 20,000 square ft. facility and newly opened Donora 80,000 sq. ft. location.

Tech Met’s General Manager, Jim Ringer, commented “We are very excited to be involved with Marvel Production Group, LLC and The Fox Business Network. This opportunity gives us the chance to show people a glimpse of the complex and intricate processes performed by the dedicated team at Tech Met who are committed to producing the highest quality product, meeting the most critical standards and specifications.” Tech Met routinely provides chemical milling on a wide variety of materials including high temperature alloys, titanium alloys, aluminum and stainless steel.

The two-minute production will air on January 21st between 10:30 and 10:44 pm Eastern Standard Time, and will available on the company website after the initial broadcast.
